## REFERRAL PROGRAM

Both Graham and Gary have been business brokers for over 20 years (45 years collective experience) and have been specializing in small to medium business sales in a wide range of industries. We are experts in our field.

We are both passionate about helping people achieve their business sale goal and that is why we love what we do.

You may also have clients looking to purchase or sell a business.

Engaging us to act on behalf of your clients not only ensures they receive the benefit of our extensive experience in business sales, it avoids you having to spend countless hours on marketing, purchaser qualification, documentation and negotiation.

What we are offering is % of our commission for every successful sale for any business referred through to us by your Company or your client directly.

It is important however that you are comfortable with how we operate so that you will feel confident that when you do refer a potential Vendor or purchaser to us that you know they will be in good hands and to that end we would like to make a time to catch up with you and also your sales staff to outline how we handle the sale process from start to finish.

We look forward to catching up with you.
