Service Expansion in NSW

Wollermann Corporate Brokers expands their service offering in NSW, targeting the built environment professionals sector.

We are pleased to advise that Wollermann Corporate Brokers will be expanding their service offering in NSW, to offer a professional business broking service to businesses operating in the built environment professions sector. To this end they have recruited the services of Andrew Mather, an experienced executive in this sector.

Following a successful 35-year career in the built environment professions, working in C-Suite roles for Global Consultancies, Andrew has decided to combine his love for the built environment, with his experience in corporate transactions and has turned his focus to business advisory services and corporate business broking.

During his career with Global Consultancies, Andrew led the successful acquisition and integration of over 15 consulting businesses and has concluded over 5 sales of consulting firms ranging in size from 10 people to 450 people. These transactions have taken place in Australia, southeast Asia and Africa.

Since inception in 1994, Wollermann Business Brokers has become one of Australia's leading business brokers, primarily operating across the eastern states of Australia but is licensed Australia wide.

When selling or acquiring another business, you require an approach that is professional, personalised and proactive, in order to reach your objective. There are many aspects which must be considered.

Selling or acquiring a business is not a simple decision. It demands the creation of a strategic business plan that requires investigation, planning, budgeting, consideration of alternatives and implementation.

We have the knowledge, skills, expertise and ability to guide you through the steps to ensure the transaction is concluded.

Whether you are committed to pursuing M&A, or you would just like to explore your options, we are able to assist you.

If you want exceptional service backed by a leading business broking team, contact Andrew on 0407 512 180 or amather@wollermann.com.au
